Grenoside News!

Autumn 2 - Tuesday 2nd November 2021.

Welcome back , we hope you've had a restful half term break. We embark upon the second part of the autumn term and the run up to Christmas where, as always, there are lots of exciting activities planned.

Bonfire night is also looming - take care and keep yourselves and your pets safe!

Sadly...

Unfortunately, we have been the victim of some antisocial behaviour in recent weeks where youths have been gaining access to our roof. As a result of this and the damaged caused, our bike shelter has had to be dismantled. Our facilities managers - Kier, have also put some anti vandal paint onto the top of our gates. Please be careful to use the handles and do not touch the top of the gates as this paint does not come off. Thank you to our neighbours who help keep an eye on our school and contacted the police when noticing intruders. Please continue to report any suspicious activity within our school grounds.

Flu Vaccination.

Following the recent email about flu vaccinations, please ensure you use the link below to give your preference on whether you would like your child to receive the vaccination. This MUST be done online through the link and can not be done through school. The deadline for this is **Monday 22nd November 2021**.
