Grenoside News!

Autumn 1 - Monday 4th October 2021.

Hola!

Recently we celebrated the European Day of Languages in school. KS1 enjoyed an assembly with Señora Bailey learning some Spanish songs, they also shared and celebrated some of the languages pupils speak at home - Italian, Gujarati, Romanian and Albanian to name a few. KS2 have been enjoying their weekly Spanish lessons using Language Angels. Even our youngest pupils in EYFS are trying out answering the register in a variety of languages - muy bien! The pupils and staff are really enjoying the change from French to Spanish this year. Keep your eyes on Google Classroom for more information on how you can practise your language skills at home!

Muchas gracias y adiós.

Unfortunately ,Covid is still very much within our community and we have had positive cases in school. We continue to be vigilant and take measures to reduce risks by making sure rooms are well ventilated and washing hands regularly. Thank you for doing your bit by not sending children to school if they are unwell. If you child has symptoms, please book a PCR test as soon as possible and isolate until the result comes back. We may need to send children home at short notice, hence the importance of having up to date contact information and being set up on Google Classroom.

As ever, your co-operation is greatly appreciated - thank you.
