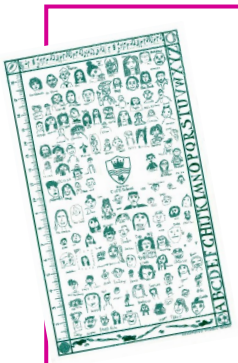
Grenoside News!

Autumn 1 - Wednesday 13th October 2021.

Year 2 have been busy !

As part of our RE lessons this term the Y2s have been learning about Christian Harvest celebrations and the Jewish festival of Sukkot which took place from the 21st to the 29th of September. In groups, the children have built a Sukkah, a shelter which some Jewish families may build outside during the festival of Sukkot. At this time they remember when God freed them from slavery in Egypt and they wandered in the desert for 40 years before reaching the promised land of Israel. The children worked really well in their teams to create their finished Sukkah.

Tea Towel Fundraiser.



Over the past few years (pre Covid) we have successfully run a Christmas Card Fundraiser. This year we are embarking on something new. The children will be drawing an image of themselves which will be printed with their first name onto the tea towel ,along with their peers. These will then be available to purchase as gifts or as a keepsake. Please look out for the letter which will be coming out soon. Please contact school via email **parents@grenoside.sheffield.sch.uk** *if you DO NOT wish your child's drawing to be included . Thank you in anticipation of your support—we hope to raise a good amount to contribute towards school funds for the children.*

It's Good to Grow from Morrisons

Please remember to collect Morrisons vouchers for school gardening equipment. Have a look on your Morrisons More Card App.

Unfortunately ,Covid is still very much within our community and **we have had positive cases in school.** We continue to be vigilant and take measures to reduce risks by making sure rooms are well ventilated and washing hands regularly. Thank you for doing your bit by not sending children to school if they are unwell. If you child has symptoms, please book a PCR test as soon as possible and isolate until the result comes back. We may need to send children home at short notice, hence the importance of having up to date contact information and being set up on Google Classroom.

As ever, your co-operation is greatly appreciated - thank you.

Please can we remind you that the top car park is strictly for use by parents of pupils with specific mobility needs.

Unfortunately, we **do not have the space** to accommodate any other vehicles.

Please do not park in this car park, even if you are late.

Your support with this is appreciated.

PLEASE, PLEASE, PLEASE put names in all items !

We can then return items when they find their way to lost property!
