Grenoside News!

Autumn 1 - Monday 13th September 2021.

A big welcome back to everyone after the summer holidays. We have been back just over a week now and everyone has settled in really well, looking smart in their new uniform and getting back to our routines. A special well done to the new Foundation Stage children who have started school this half term. Also a big welcome to our new members of staff who have joined the Grenoside team.

School feels a lot more "normal" now, however, we are still very mindful that the pandemic is not over and there are still cases of Covid in our community. Even though many guidelines have changed, we would still encourage caution and ask that if your child experiences any of the Covid symptoms you arrange a PCR test. The ***guidance states that a PCR test should be undertaken for anyone with symptoms***, this is instead of a home Lateral Flow (LFD) test. Please keep us informed of any positive cases and dates of isolation periods. In order to keep illness at bay in school , we ask that any children who are unwell remain at home until they are better. We appreciate your understanding and cooperation with this.

Sporting success for some of our pupils.

Over the August bank holiday three pupils from Grenoside who play for Sheffield Rangers under 8s entered the Ecclesfield Cup. They did really well and so nearly came out as winners.
They played well as a team and were runners up. Well done to Thomas, Milo and Finley!

Eat Smart Sheffield Programme

Eat Smart Sheffield have been working with Sheffield communities, schools and families to encourage and offer information about healthy lifestyles. They are very much looking forward to continuing their work and have a newsletter full of information. Please use the link below in your browser to access the newsletter.

Healthy School Lunch

Please remember we encourage a healthy school lunch policy. This includes packed lunches from home. Please see information on the school website for details.

Please be mindful of children with allergies. There should be no nut products in packed lunches. Also be mindful of choking hazards, grapes for example should be cut.

Morrisons Gardening Club

Please look out for information coming soon about collecting vouchers for gardening equipment via Morrisons More Card.

CHANGE OF MENU

Friday 17th September the menu will be as follows:

RED - Beef Burgers

YELLOW - Cheese and onion quiche

BLUE - Cheese Breadcake

GREEN - Tuna Mayo Breadcake

ORANGE - Jacket with Beans

PURPLE - Jacket with Cheese.

PLEASE, PLEASE, PLEASE

put names in all items !

We can then return items when they find their way to lost property!
